

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

June 6, 2008

Permit Number: OCRM-08-131-B
Permit ID: 63478

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Joan Plunkett
C/o John Wade Surveying
P.O. Box 686
Isle of Palms, South Carolina 29451

LOCATION: On and adjacent to Hamlin Creek at 703 Palm Boulevard, Isle of Palms, Charleston County, South Carolina TMS # 568-11-00-002

WORK: The work as proposed and shown on the attached drawings consists of making an addition to an existing dock. The proposed dock addition will consist of adding a 12' x 20' roof over an existing fixed pierhead. The work as described is for the applicant's private recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before June 21, 2008. For further information please contact the project manager for this activity, Steve Brooks at 843-953-0235.

A line drawing of a building with a chimney, situated near a road and a body of water. The building has a rectangular main body and a smaller rectangular chimney on the right side. To the left of the building is a set of stairs or a ramp. The building is located between a solid line representing a road or path and a dashed line representing a boundary or another road. A wavy line representing a body of water is in the foreground. The drawing is oriented diagonally.
